

U.S. Senators from New York contacts as of Sept. 23, 2015

It is always best to sit down and write a real, paper-based letter to Senators: real paper still carries weight in Washington, D.C.

If you receive back a form letter that does not address your issue, or, if the response is along the lines of . . . “we look forward to working with you on this issue. . . please do not hesitate to get in touch if there is anything I can do. . .” then consider sending a copy of that letter to prospectparkquietskies@gmail.com or inquiry@nextgennoise.org so that with your permission we will publish the letter for all to see.
